Texts for the Chorale and Gospel Preludes

Bach: Christ unser Herr zum Jordan kam

Christ, our Lord, to the Jordan came,
For thus His Father willed it,
John's baptism for Himself to claim,
And thus the Son fulfilled it.
Thereby He drew for us a bath,
To wash us of transgression,
And drowned He also bitter death,
Through His own blood and passion;
A new life thus availeth.

Bach: Dies sind die heil'gen zehn gebot

These are the holy ten commands,
Which came to us from God's own hands,
By Moses, who obeyed His will,
On the top of Sinai's hill.
Kyrioleis.

Bach: Aus tiefer Not schrei ich zu dir

From deep affliction I cry out to you,
Lord God, hear my call;
Incline your merciful ear here to me
And be open to my prayer!
For if you want to look at this,
What sin and injustice is done,
Who can, Lord, remain before you?

Bolcom: "What a friend we have in Jesus!"

What a friend we have in Jesus,
All our sins and griefs to bear.
What a privilege to carry
Everything to God in prayer!
O what peace we often forfeit,
O what needless pain we bear,
All because we do not carry
Everything to God in prayer!

Bolcom: "Jesus Calls Us; O'er the Tumult"

Jesus calls us o'er the tumult
Of our life's wild, restless sea;
Day by day, His voice invites me,
Saying, "Christian, follow me!"

About the Organ

St. Dunstan's commissioned Ortloff Organ Company, LLC of Needham, MA in late 2018 to build a new pipe organ to replace the failing instrument that served the parish for over 40 years. St. Dunstan's chose Ortloff Organ Company because of the creative nature of the stop list and the incredible flexibility possible due to the instrument's electric action. Ortloff Opus 2 was completed and installed in the fall of 2020. The organ, with its dramatic dynamic range and color possibilities, exquisitely fulfills its many roles throughout worship: propelling congregational singing, accompanying choral anthems, serving as a duet partner with other instrumentalists, and shining as a solo instrument.

All donations collected this afternoon will support the St. Dunstan's Music Fund, which makes musical events featuring our new organ possible. Recitalists can explore the organ's colors, broad dynamic range, and expressive voicing as a solo instrument and in partnership with others, sharing music both sacred and secular. The Fund will allow lecturers to share their passions on a specific subject, and enable masterclasses for musicians of all ages and abilities. We look forward to offering this resource, and the intimate setting of the St. Dunstan's space, with performers from across the nation and audiences from Shoreline and the Greater Seattle region.
